

EMS Day 2011

The Deer Park Volunteer Fire Department will be recognizing EMS Week 2011 by conducting a Health Fair on Saturday May 21st from 9AM to 2PM at the Food Town parking lot located at 3322 Center Street.

The department will be providing blood pressure checks and blood glucose checks to the public free of charge. In addition, EMS literature including the popular fold out medication record keeper and other First Aid information will be handed out. We'll also have a little something for the kids.

The fire department will have on display our new Tower truck, a heavy rescue truck, and an ambulance.

So come out and meet some of your EMS providers, take a look at our equipment, and get checked out.
